A COUNTRY PUB, TWO CENTURIES IN THE MAKING

Dating to around 1810, The Rose & Crown is widely believed to have been built as an estate workers' alehouse by Edward Austen Knight, Jane Austen's brother of nearby Chawton House. More than two centuries later, the old beams, brickwork and fireside still frame what a country pub should be: seasonal food, good company and a generous welcome.

FOR THE TABLE

Nibbles & small plates, made for sharing.

Crispy Cod Bites +£2.50 per portion in the offer. If your five choices cost less individually, we will charge the lower price.

CHOOSE ANY 5 FOR £42
